Test (1) Listening Material:

The hot desert is a very dry place, but many amazing animals live there. Camels are strong and well-adapted to the desert. They eat plants to stay strong. Snakes often eat small animals like rats or lizards to survive. Most desert animals hide under rocks during the day to stay cool. They come out at night when it is cooler.

Test (2) Listening Material:

Once there was a tall apple tree in a garden. It had a thick trunk and many branches. A boy named Tom loved to play under its shade. Tom made crowns from the tree's leaves. The tree was never selfish; it always wanted to help the boy. Tom loved the tree very much, and the tree was happy to care for him.
